

The Interlude at Highland Bridge is a senior living community located in the Highland Bridge development of St. Paul, MN. The community offers both independent and assisted living options for residents, is pet-friendly, and is designed for users 65+ in age. The public areas of this building are designed to be open to the public - the community is encouraged to visit and use these spaces.

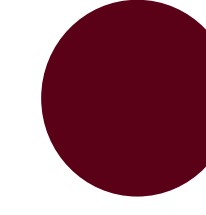

PRIORITIZE COMMUNAL SPACES THAT FACILITATE COMMUNITY AND ADD VITALITY INTO THE SPACE AND INTO THE RESIDENTS' LIVES

SUPPORT BOTH INTROVERTS, EXTROVERTS, AND EVERYONE IN BETWEEN

PRIORITIZE INCLUSIVITY AND EQUITY - DESIGN SPACES THAT SUPPORT THOSE OF ALL BACKGROUNDS, IDENTITIES, AND CULTURES

RECOGNIZE ISSUES WITH ISOLATION IN SENIOR LIVING AND ADDRESS THESE THROUGH DESIGN

THE CONCEPT BEHIND INTERLUDE

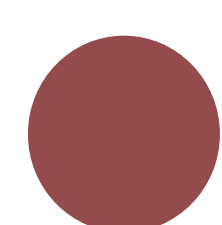

The design of this senior living community is inspired by the concept of interlude. We spend so much of our lives running and working and stressing and doing, yet we rarely have time to just exist. For these residents, their time in this senior living community is a chance to slow down and appreciate all of the things they have been too busy, stressed, or distracted to notice in the world around them."

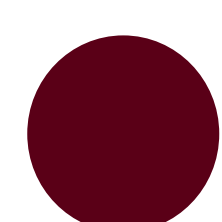

AREAS FOR PAUSE ARE DESIGNED THROUGHOUT TO ENCOURAGE STEPPING AWAY AND TAKING MOMENTS OF RESPITE THROUGHOUT THE DAY

IN-BETWEEN SPACES, SUCH AS STAIRWAYS AND HALLWAYS, WILL BE EMPHASIZED THROUGH DESIGN AS IMPORTANT SPACES

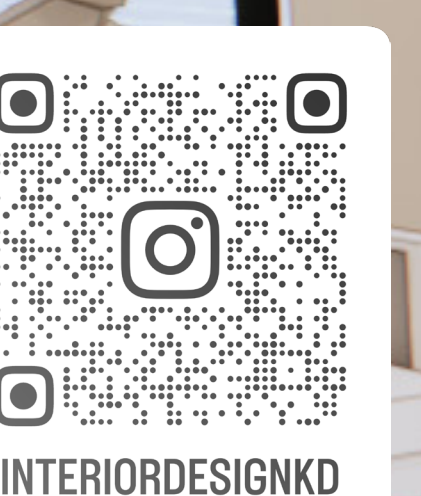

THE PLACEMENT OF WINDOWS WILL SUPPORT MOMENTS OF REST AND ENCOURAGE OBSERVATION OF NATURE

TEXTURES/COLORS ARE INSPIRED BY THE PALETTE OF THE EARTH AND NATURAL ENVIRONMENTS AROUND US
